Data represented on this map is for REFERENCE USE ONLY and is not suitable for legal, engineering, or surveying purposes. Users of this information should review or contact the primary data and information sources to determine the quality of the information. SITLA assumes the data is as shown and shall in no event be liable for any accuracy, results, or any product, method or consequence of any use, arising out of or in connection with the use of the quality of the data shown.

Land parcels, lease boundaries and associated SITLA data layers have been updated to show for visual "best fit". The Surface Ownership Land Status data (if present) are maintained by SITLA to reflect current trust land status and surface ownership. Lakes, rivers, streams, highways, roads, county and state boundaries are distributed by the Utah Automated Geographic Reference Center and/or other sources as specified. Contour lines (if present) were generated from USGS 2.5 minute DEM.

Please Note: While SITLA makes every effort to verify data for accuracy and content, discrepancies may exist between the data. Adjusting the most updated SITLA ownership GIS data may require contacting the GIS staff directly at 801-538-5100 or TLA-GIS@utah.gov. The SITLA GIS department welcomes your comments and concerns regarding the data and will attempt to resolve issues as they are brought to our attention.
