I hereby make application pursuant to Title 53C, as amended and Trust Lands Administration Rule R850-23, to acquire a materials permit on the following described State Trust Lands:

County:				Meridian:		(SL or US)
Township	Range	Section	Legal Description	Acres		
Total Acres:						

Material permits for common sand and gravel on Trust Lands are issued on a competitive basis. Lacking any competing applications for lease, purchase, or exchange, the Administration will evaluate the applications for the removal of ordinary sand and gravel and award the permit for such removal. As approved by the Director, successful applicants will be notified by mail of the procedure for submitting a sealed bid. The bid offer will be evaluated on the following criteria: 1) The amount of the bonus bid; 2) The amount and rate of the proposed materials extraction and associated minimum royalty; and, 3) Other requirements provided for by the rules of the Trust Lands Administration, contained in the public notice , or bid procedure notice.

The successful bidder will be required to pay application and processing fees, advertising costs and the costs of a cultural resource study if necessary. The permit will require rehabilitation of any areas disturbed during the lease period and areas with existing disturbance. Bonding may also be required by the Trust Lands Administration. The Trust Lands Administration reserves the right to reject any application or subsequent bids.

Title

Claim of Business Confidentiality

Any person who provides to the Trust Lands Administration an application (or information contained in any record) that he or she believes should be protected under UCA Subsection 63-2 **304 (1)** or (2) shall provide with the application a written claim of business confidentiality and a concise statement of reasons supporting the claim of business confidentiality. The guidelines used by the Trust Lands Administration to grant business confidentiality are as follows:

Trade secrets -if the submitted information, includes a formula, pattern, compilation, program, device, method, technique, or process, that has actual or potential value by its non-disclosure to the general public, and is the subject of efforts that are reasonable under the circumstances to maintain its secrecy;

Commercial information or non-individual financial information – if the submitted information contains commercial information or non-individual financial information which may result in unfair competitive injury to the person submitting the information, or would impair the ability of the Trust Lands Administration to obtain necessary information in the future, and the person submitting the information has a greater interest in prohibiting access than the public in obtaining access.

I, _____ do hereby claim that the information herein submitted as required by the School and Institutional Trust Lands Administration is confidential.
