Data represented on this map is for reference use only and is not suitable for legal engineering, or survey. Users of this information should review or consult the primary data and information sources to ascertain the usability for the information. SITLA provides this data in good faith and shall in no event be liable for any incorrect results, or any special, indirect, or consequential damages to any party, arising out of, or in connection with the use or inability to use the data herein. Land parcels, lease boundaries and associated SITLA data layers may have been adjusted to allow for visual "best fit." The Surface Ownership Land Status data are maintained by SITLA to reflect current trust land status and surface ownership. Lakes, rivers, streams, highways, roads, county, and state boundaries are distributed by the AGRC and other sources. Countour lines have been generated from USGS 10 meter DEM. Please Note: White SITLA seeks to verify data for accuracy and content, discrepancies may exist within the data. Acquiring the most updated SITLA ownership GIS data may require contacting the GIS staff directly: 801-538-5100, or TLA-GIS@utah.gov. The SITLA GIS department welcomes your comments and concerns regarding the data and attempt to resolve issues as they are brought to our attention. Date: April, 2013
