APPLICATION FOR RANGE IMPROVEMENT

Project Title: _____

RIP No: _____

Applicant Name: _____

GP No: _____

Address: _____

City: _____

State: _____ **Zip Code:** _____

Phone: _____

County: _____

Township	Range	Section	Legal Description	Acres
Total Acres:				

The applicant, (name) _____, hereafter called "Applicant", and the School and Institutional Trust Lands Administration agreed to cooperate in the following range improvement project according to the stipulations and requirements set forth below:

1. PROJECT DESCRIPTION, ESTIMATED TIMETABLE AND COSTS FOR COMPLETION: (include all management criteria and potential environmental impacts) (Attach detailed map of project to this sheet).

If technical assistance is required to design and complete this project, list the source: *(Attach any work plans produced to this sheet).*

2. COST ESTIMATES AND FUNDING SOURCES:

3. The applicant agrees to comply and be bound by all applicable provisions of R850-50 and more specifically, acknowledges that applicant has no vested interest in the range improvement other than the right to a discounted reimbursement in the event the subject property is sold, exchanged, or the permit is issued to a competing applicant. If the applicant is not the grazing permittee on the subject property, or in the event the grazing permit is canceled for cause, no reimbursement will occur.
