Step 1 Go to www.EnergyNet.com

Step 2 Click on the *Log in or Register* button in the upper right corner

Step 3 On the *Log In* page, click on *Don't have an account? Register now!*

The screenshot shows the 'Log In' page with a blue header. Below the header, there are two buttons: 'Buyer' (highlighted in orange) and 'Seller'. There are input fields for 'Username' and 'Password'. A checkbox labeled 'Keep me signed in' is present. A 'Log In' button is at the bottom. A red circle highlights the link 'Don't have an account? Register now.' below the 'Log In' button.

Step 4 Click on the *Register as a Buyer now!* link to begin your account creation as a Buyer

The screenshot shows the 'Registration' page with a grey header. Below the header, there are two columns: 'Register as a Buyer' and 'Register as a Seller'. Each column has a list of benefits and a 'Register as a Buyer now!' or 'Register as a Seller now!' link. A red circle highlights the 'Register as a Buyer now!' link in the 'Register as a Buyer' column.

Step 5 Check the *Government Listings Only* checkbox

The screenshot shows the 'Buyer Registration' page with a grey header. Below the header, there is a paragraph of text and a section titled 'Choose Your Registration Type'. This section has two options: 'All Auction, Sealed Bid and Negotiated Listings' (with an unchecked checkbox) and 'Government Listings Only' (with a checked checkbox). A red circle highlights the 'Government Listings Only' option.
