**Disclaimer**

Data represented on this map is for REFERENCE USE ONLY and is not suitable for legal, engineering, or surveying purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information. STUA provides this data in good faith and shall in no event be liable for any incorrect results, or any special, indirect, or consequential damages to any party arising out of or in connection with the use or the inability to use the data herein.

Land parcel, socio boundaries and associated STUA data layers may have been updated to allow for visual clarity. The Surface Ownership (Land Status data) (4 percent) are maintained by STUA to reflect current trust land status and surface ownership. Lakes, rivers, streams, highways, roads, county and state boundaries are distributed by the Utah Automated Geographic Reference Center and/or other sources as specified. Contour lines (if present) were generated from USGS 10 meter DEM.

Please Note: While STUA seeks to verify data for accuracy and content, discrepancies may exist within the data. Acquiring the most updated STUA ownership GIS data may require contacting the GIS staff directly at (801) 538-5700 or via GIS@utah.gov. The STUA GIS department welcomes your comments and concerns regarding the data and will attempt to resolve issues as they are brought to our attention.
