Township	Range	Section	Meridian	Legal Description	Acres
Total Acres:					

County of: _____

Material permits for common sand and gravel on trust lands are issued on a competitive basis. Lacking any competing applications for lease, purchase, or exchange, the Trust Lands Administration will evaluate the applications for the removal of ordinary sand and gravel and award the permit for such removal. As approved by the Director, successful applicants will be notified by mail of the procedure for submitting a sealed bid. The bid offer will be evaluated on the following criteria: 1. The amount of the bonus bid; 2. The amount and rate of the proposed materials extraction and associated minimum royalty; and 3. Other requirements provided for by the rules of the Trust Lands Administration contained in the public notice or bid procedure notice.

The successful bidder will be required to pay application and processing fees, advertising costs and costs of cultural resource study, if necessary. The Trust Lands Administration reserves the right to reject any application or subsequent bids.
