

AMENDMENT - RNBL 27 - SOLAR

DA Date: 09/14/2026

Status: Approved by Michelle McConkie

Department: Renewable

Drafted By: Boyack, Rachel

ID: 13485

CONTRACT DETAILS

Name: FROGTOWN SOLAR, LLC

Address: 2701 NW VAUGHN STREET
SUITE 300
PORTLAND, OR 97210

Administrator: Boyack, Rachel

County: Utah

Total acres: 638.3000

Start Date: 09/01/2022

Beneficiary: School

Expiration Date: 08/31/2058

LAND PARCELS (GIS Review of Description: 09/09/2026)

T8S, R2W, SLB&M	Section 11 N2	320.00 acres
T8S, R2W, SLB&M	Section 12 LOTS 1(53.74), 2(43.22), 3(31.70), 4(22.18), 5(25.60), 6(36.75), 11(40.00), 12(7.31), 13(17.80), 14(40.00) [AKA E2]	318.30 acres

BACKGROUND

The School and Institutional Trust Lands Administration ("TLA") and Frogtown Solar, LLC,, entered into Renewable Lease Agreement No. 27 dated September 1, 2022.

NARRATIVE

With this amended & restated lease, TLA and Frogtown Solar, LLC have agreed to the following:

- 1) Extend the development phase of the lease to a maximum of 10 years from the original effective date of September 1, 2022.
- 2) Include reclamation and bonding language that allows TLA to bond the project at start of construction.

FINANCIAL/REVENUE

The additional development rates will escalate at 10% per year.

SUMMARY

TLA will amend to RNBL 27 to include an additional 5-year development term and reclamation bonding language.

BACKGROUND

This Exploration Agreement and Option to Lease Geothermal Resources between the School and Institutional Trust Lands Administration ("TLA") and TLS Geothermics Corp., Innevation Center, Research & Innovation, University of Reno, 450 Sinclair Street, Reno, NV 89504, was approved by the Board of Trustees on February 19, 2026

NARRATIVE

TLS Geothermics will have a five-year geothermal exploration period with a lease option for a 10-year initial term. During the exploration period, the TLS Geothermics must submit a plan of exploration which includes reasonable detail regarding the timing, location, and analysis of impacts to the property. They must provide year-end reports within 120 days following the end of each year during the option period.

FINANCIAL/REVENUE

Exploration Agreement Rentals:

1st year - \$1.00/acre

2nd year - \$2.00/acre

APPROVAL OF RNBL 2019 OBA - GEOTHERMAL

(Continued)

3rd year - \$3.00/acre

4th year - \$4.00/acre

5th year - \$5.00/acre

Payments to TLA include an advanced minimum royalty of \$5.00 per acre and a production royalty rate of 1.75% for the first 10 years and 3.5% thereafter.

SUMMARY

RNBL 2019 OBA was approved to TLS Geothermics Corp. for a five-year geothermal exploration period with a lease option for a 10-year initial term.

TYPE OF RECORD: APPROVAL

ASSIGNMENT OF RECORD TITLE - ML 51633 - PETROCOIN LLC BY ROLLING THUNDER R&D LLC

DA Date: 09/14/2026

Status: Approved by Michelle McConkie

Department: Coal & Mineral

Drafted By: Boyack, Rachel

ID: 13483

CONTRACT DETAILS

Administrator: Wiseman, Tyler

County: Sevier

Total acres: 1,280.0000

Start Date: 10/01/2009

Beneficiary: School

Expiration Date: 09/30/2029

NARRATIVE

The agency received two record title assignment applications for record title interest in ML 51633, geographically defined as Parcel "A" and Parcel "B", to Petrocoin, LLC, 24301 Brazos Town Crossing, #501-17, Rosenberg, TX 77471, by Rolling Thunder Research and Development, LLC for the following lands:

Parcel "A" Description

T24S, R1W, SLB&M

Section 22: N2SW4SE4 and N2N2S2SW4SE4 (30 Acres)

40% Record Title

Parcel "B" Description

T24S, R1W, SLB&M

Section 22: All (640 Acres), Less the N2SW4SE4 and N2N2S2SW4SE4 (30 Acres)

Section 26: W2 (320 Acres)

Section 27: E2 (320 Acres)

20% Record Title

FINANCIAL/REVENUE

An assignment fee of \$150.00 per assignment level of interest (\$300.00 total) was paid via electronic payment under receipt #EP005270.

SUMMARY

A multi-level record title assignment was approved for 40% interest and 20% interest, respectively, in ML 51633 to Petrocoin, LLC by Rolling Thunder Research and Development, LLC.

TYPE OF RECORD: APPROVAL

ASSIGNMENT APPROVAL - ML 52441 - PHOSPHATE

DA Date: 09/14/2026

Status: Approved by Michelle McConkie

Department: Coal & Mineral

Drafted By: Bonner, Drew

ID: 13331

CONTRACT DETAILS

Administrator: Bonner, Drew

County: Uintah

Total acres: 1,352.2100

Start Date: 03/01/2013

Beneficiary: Deaf 40.0000 ac (2.96%);
School 1312.2100 ac (97.04%)

Expiration Date: 02/28/2033

NARRATIVE

An application for a Record Title Assignment was received for 100% interest for ML 52441 to Fertoz Organics, Inc., 20940 South Frankfort Square Road, Frankfort, IL 60423 by Utah Mineral Resources, LLC.

FINANCIAL/REVENUE

A \$150.00 assignment fee was paid via check, receipt #EP005199.

SUMMARY

A Record Title assignment is approved for 100% interest in this lease to Fertoz Organics, Inc., 20940 South Frankfort Square Road, Frankfort IL 60423, by Utah Mineral Resources, LLC. No override reserved.

NARRATIVE

On January 19, 2023, the School and Institutional Trust Lands Administration ("TLA") Board of Trustees approved this Other Business Arrangement ("OBA") to issue to Mandrake Lithium USA, Inc. ("Mandrake") a six-year, multi-commodity drill-to-earn exploration agreement with an option to lease. The six-year exploration term was split into two (2) three-year option periods. By the end of the first three-year option period, Mandrake was required to drill or re-enter a well to test for economic concentrations of one or more of the optioned minerals or relinquish half of the leased acreage and pay TLA a penalty fee of \$4.00 per acre or

PARTIAL RELINQUISHMENT - ML 90036 OBA - LITHIUM, POTASH/MINERAL SALTS, AND OIL/GAS/HELIUM (Continued)

\$138,680.00. Mandrake was unable to drill or re-enter a well by July 31, 2026. Mandrake has selected to retain 17,343.05 lease acres out of its original 34,670.37 total leased acres effective August 1, 2026.

FINANCIAL/REVENUE

The new annual rental payment in the amount of \$17,344.00 and the one-time bonus payment in the amount of \$138,680.00 to extend the option period was paid via wire transfer under receipt #SL137763 on August 31, 2026.

SUMMARY

TLA recognizes the relinquishment of 17,327.32 acres and one-time payment of \$138,680.00 to extend the option period associated with ML 90036 OBA, effective August 1, 2026.

BACKGROUND

The subject parcels have a long history of being leased for tar sands. This project previously included three separate leases, ML 49579, ML 49927, and ML 51705, which were held by US Oil Sands, Utah ("USO"). These leases were purchased by USO in 2018. USO subsequently changed its name to 2020 Resources in 2019.

NARRATIVE

ML 51705 will not expire until January 31, 2030. ML 49579 expired on December 31, 2024, and will not be renewed. This amendment and extension of ML 49927 is essential to 2020 Resources as the processing plant is located on these lands. The terms include a paid up bonus, an increased royalty rate of 10%, and a produce to earn clause that prohibits any new disturbance until the exposed hydrocarbon has been produced.

FINANCIAL/REVENUE

Paid up bonus payment will include rentals and minimum royalty of \$432,000. The lessee agrees to pay the lessor an increased royalty of ten percent (10%) on all produced materials sold under a bona fide arm's length commercial sale.

SUMMARY

The Board of Trustees approved the Amendment of Sky Quarry OBA on August 21, 2025. ML 49927 OBA will be amended to extend the term until January 31, 2030, include a paid up bonus of \$432,000.00, an amended royalty rate of 10%, and includes

a produce to earn clause.

BOND / INSURANCE DETAILS

Principal Name: GASCO PRODUCTION COMPANY

Bond Type: Cash

Amount: \$20,000.00

Effective Date: 08/01/2014

Reference Number: Receipt SL092265

Issued By: CASH

NARRATIVE

On October 6, 2014, the Director accepted a \$20,000.00 cash bond, Bond No. 5529, Receipt No. SL105574, from Gasco Production Company to serve as a performance bond for a proposed multi-well pad on ML 45172. The proposed wells were never drilled. Gasco Production Company subsequently merged with Badlands Energy, Inc., which later filed for bankruptcy in 2017.

On July 28, 2026, the School and Institutional Trust Lands Administration ("TLA") reviewed Bankruptcy Case No. 17-17465-KHT to determine whether the \$20,000.00 cash bond was identified among the assets transferred through the bankruptcy proceedings. TLA found no record indicating that the cash bond was included in the asset transfer.

On July 29, 2026, TLA attempted to contact Gasco Production Company/Badlands Energy, Inc. by certified mail at the last known address on record regarding the return of the cash bond. The correspondence requested that the company contact TLA by August 31, 2026. As of August 31, 2026, TLA has not received a response.

SUMMARY

TLA released the \$20,000.00 cash bond No. 5529 from Gasco Production Company by turning the funds for ML 45172 over to the Unclaimed Property Division of the Utah State Treasurer.

BACKGROUND

The subject oil shale lease is located Uintah County. The exploration and production of oil shale has proven to be a difficult and time-consuming process, and Red Leaf wants to continue to try to develop these lands for the oil shale resource. Red Leaf has a long history of exploration in the area and would like to focus on their core acreage by decreasing their overall leases and leased acreage.

NARRATIVE

Red Leaf will consolidate their leases into one (1) Other Business Arrangement ("OBA") lease to their core acreage to allow for a more effective development and production strategy.

Lands to Be Relinquished: 15,650 acres
Seep Ridge - ML 48811 and ML 53644 OBA

APPROVAL OF ML 54691 OBA - OIL SHALE

(Continued)

Holliday - ML 49949, ML 49953, and ML 53645 OBA

Other - ML 48804, ML 48805, ML 48807, ML 48808, ML 48809, and ML 48810

Acres to Be Consolidated: 8,862.33 acres

Seep Ridge: ML 43374, ML 48811 (continuous with Seep Ridge), ML 50150, and ML 52803

McCook Ridge - T13S R23E Section 31, T14S R22E Section 1, and T14S 23E Section 6

Holliday - ML 48570, ML 48812, and ML 49924

FINANCIAL/REVENUE

Annual rental for ML 54691 OBA is \$4.00/acre. There is also a bonus payment of \$4.00/acre. Production royalty begins with 2% on the first 40 million barrels oil; then linear escalation from 2% to 10% from 40 million barrels - 200 million barrels of oil, and 10% gross revenue for all final production.

SUMMARY

The School and Institutional Trust Lands Board of Trustees approved the consolidation of Red Leaf's leases into one (1) lease, ML 54691 OBA, on March 19, 2026. This will enable Red Leaf to more effectively explore, develop, and produce the oil shale resource.

BACKGROUND

On November 2, 2021, the applicant submitted the subject application to purchase an easement for an existing Class D & B County Roads.

The application was submitted for Trust review on October 25, 2023, and was accepted by the Director on February 26, 2025.

The project area has been surveyed for cultural resources by Montgomery Archaeological Consultants. The Trust's archaeology staff has reviewed the report. Roads #3197 & #7145 were removed as required to complete cultural resource mitigation. Road #4135 removed since not a suitable location for easement.

Because the proposed easement is for an existing facility, it is exempt from review by the Resource Development Coordinating Committee ("RDCC").

NARRATIVE

Wayne County has submitted an easement application to make permanent the temporary easements currently in place on certain Class B and D county roads on November 2, 2021. Pursuant to Board Policy 2006-01, these roads are Category 2 roads

APPROVAL - ESMT 2472 - EASEMENT (COUNTY ROADS)

(Continued)

which do not have a grant of authority from the Trust, but which were granted a temporary easement or right of entry in 1992 from the state legislature. Wayne County now desires to acquire permanent easements on these roads which do not qualify as valid existing rights as defined in Board Policy 2006-01.

The proposed easement is approximately 93.74 miles (494,928 feet) long and varies between 33 feet wide for Class D roads and 66 feet wide for Class B roads, containing approximately 385.95 acres in total. The term of the easement would be perpetual.

FINANCIAL/REVENUE

The application fee of \$750.00 should be paid through the Off-Highway Vehicle ("OHV") Fund, and the easement rental assessment of \$167,204.66 has been submitted.

SUMMARY

Non-exclusive easement, ESMT 2472. was approved to operate, repair and maintain an existing Class B and Class D county roads. The term will be perpetual with a beginning date of February 26, 2026. All required fees and rental have been paid.

Start Date: 07/01/2012

Beneficiary: School

Expiration Date: 06/30/2027

AUMs: 472.00

SUMMARY

The permittee of GP 20968 12 has requested to take 100% non-use (472 AUMs) for the 2026 grazing season, due to drought conditions causing a lack of forage. The permittee will be charged for the weed fee of \$47.20 which will be added to the 2027 billing. Range conditions are such that non-use is encouraged for resource protection therefore it is requested the non-use fee be waived.

AKA N2N2]

BACKGROUND

The applicant proposes to seed and two-way chain 408 acres of pinyon/juniper, install a water pipeline, and install a water trough. The water source is on private property.

The applicant submitted a proposal for this range improvement project on September 7, 2023. The applicant is doing the project with the assistance of the Natural Resources Conservation Service ("NRCS") and the Division of Wildlife Resources ("DWR").

The project was submitted to the Resource Development Coordinating Committee ("RDCC") (RDCC project #85653). No comments were received.

The Trust's Archaeology Group has verified that clearance was completed.

A search of the Trust's records was made to determine the status of the areas involved. Contracts, leases, and permits in the project areas are: GP 22532 11 (Brian Lamb) and RIP 1065 (France Canyon Fire Rehab - the Trust). Due to the nature of the project the grazing permits will benefit from the proposed treatment.

NARRATIVE

This range improvement is in compliance with R850-50-1100(5)(a) and (b). The project does enhance the value of the resources pursuant to R850-50-1100(5)(c).

FINANCIAL/REVENUE

The project cost on trust lands is valued at \$155,460.35. The project was funded by NRCS. Because the applicant is not the permittee of record, the project will not be eligible for amortization. Note: the life of the project (the benefit) is 20 years.

SUMMARY

RIP 1003 was approved to seed, chain, install a pipeline, and install a trough.

LAND PARCELS (GIS Review of Description: 05/05/2026)

T37S, R23E, SLB&M Section 32 SW4SE4NW4 [WITHIN]

10.000 acres

BACKGROUND

The applicant proposes to drill a water well and install a solar pump system, short pipeline, storage tank, trough, and fencing around the wellhead and infrastructure.

The applicant submitted a proposal for this range improvement project on December 4, 2025. The applicant is doing the project with the assistance of the Utah Department of Agriculture and Food's Grazing Improvement Program ("UGIP").

The project was submitted to the Resource Development Coordinating Committee ("RDCC") as Project No. 87385. No comments were received.

The Trust's Archaeology Group has verified that clearance was completed.

A search of the Trust's records was made to determine the status of the areas involved. Contracts, leases, and permits in the project areas are: ESMT 2022 county roads (San Juan County) and GP 20716 26 grazing permit (Applicant). Due to the nature and location of the project, neither of the above will be negatively affected.

NARRATIVE

This range improvement is in compliance with R850-50-1100(5)(a) and (b). The project does enhance the value of the resources pursuant to R850-50-1100(5)(c).

FINANCIAL/REVENUE

Estimated cost/value of the project is \$84,230.00 with \$37,574.93 being provided by the applicant. The remaining portion of the project is being provided by "UGIP" with \$1,280.00 for wellhead fencing from the School and Institutional Trust Lands Administration ("TLA"). The applicant's portion will be amortized as shown below. Following is a flat-rate amortization schedule using the Natural Resources Conservation Service ("NRCS") schedule for this project, should TLA cancel the grazing permit before these improvements are fully amortized. If the permittee sells or allows the permit to expire or to be canceled due to his own actions, then the amortization schedule will be canceled. Only the applicant's contributions towards the associated project costs will be amortized.

SUMMARY

An application was received for a right-of-entry permit for commercial canyoneering, hiking and climbing with a beginning date of March 1, 2026 and an ending date of February 28, 2027. The rental assessment of \$300.00, plus a \$100.00 application fee has been paid. The permittee shall also pay 3% of their gross receipts, or \$5.00 per participant/per day, whichever is greater, within 30 days of the permit expiration date. All vehicles will remain on designated roads or trails.

ROE 7638 was approved by Operations personnel based on the right-of-entry rules and the Delegation of Authority received from the Director.

Expiration Date: 10/31/2049

LAND PARCELS (GIS Review of Description: 11/09/2020)

T26S, R22E, SLB&M Section 26 W2NW4NE4 (WITHIN - SEE M&B)

0.5200 acres

BACKGROUND

The authorized use of the subject parcel is continued use and operation and maintenance of a culinary water tank. The review date is November 1, 2026.

NARRATIVE

DUE DILIGENCE AND PROPER USE:

The development allowed by the lease has occurred. It is recommended that the lease be kept in force.

PROPER USE:

The leased premises are being used in accordance with the lease agreement.

ADEQUATE INSURANCE AND BOND COVERAGE:

The lessee has been asked to provide an updated proof of adequate insurance coverage. The lease allows the Trust to require a bond at any time, or to require additional bonding as may be in the best interest of the beneficiary. No performance nor reclamation bond is currently in place and has been determined to be adequate for the current risks associated with the lessee's current uses.

WATER RIGHTS AND WELLS:

There are no Trust-owned water rights associated with this lease.

ENVIRONMENTAL COMPLIANCE:

The property was inspected and reviewed for environmental compliance on December 17, 2025. The lease inspection indicated it would be rated as low risk. There is no evidence of underground petroleum storage tanks, stained soil, unauthorized uses, or solid waste on the premises. All oil and gas containers are being properly stored. The site appears clean and orderly. The complete inspection report will be added to the lease file.

FINANCIAL/REVENUE

The lease agreement provides for periodic increases in the annual base rental amount. Pursuant to the lease agreement, it is recommended that the annual base rental be increased from \$1,100.00 per year to \$1,190.00 per year based on a Consumer Price Index ("CPI") adjustment, effective November 1, 2026.

A certified notice was sent informing the lessee of this action.

An analysis of comparable parcels and rental rates in the area show that these adjusted rentals meet market value. Based on this analysis, it has been determined that an appraisal is not warranted and that adjustments should be based on CPI. The existing lease is currently considered the highest and best use of a parcel of this type of land.

SUMMARY

THREE-YEAR REVIEW - SULA 1252 - GOVERNMENT

(Continued)

The annual rental for SULA 1252 has been increased from \$1,100.00 to \$1,190.00, effective November 1, 2026. The next three-year review will be completed by November 1, 2029.

9.1700 acres

BACKGROUND

Allen Paulsen, the lessee of SULA 2024, notified the Trust in March of 2026 that he will no longer be utilizing this residential lease. Per Section 15.1 of the lease agreement, the lessee has the right to terminate with a 90-day notice. From the previous site inspection the land was in good condition and no construction has occurred on site.

NARRATIVE

In March of 2026, the Trust received a notice of termination from the lessee. No improvements or disturbances to the land have commenced and there are no outstanding payments due.

FINANCIAL/REVENUE

All payments made to date are non-refundable.

SUMMARY

SULA 2024 was canceled effective September 3, 2026, at the request of the lessee. No reclamation is needed.
